Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. The investment return and principal will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. To obtain performance information current to the most recent month end, please call (800) 621-9215.

Credit Quality: Credit quality ratings are sourced from Standard & Poor's (the "S&P"), Moody's and Fitch's. Ratings values are based on the higher of either S&P, Moody's or Fitch's. If none of the rating agencies have assigned a rating the Fund will assign a rating of NR (non-rated security). The ratings represent their (S&P, Moody's, Fitch's) opinions as to the quality of the securities they rate. The ratings from AAA (S&P, Fitch's) or Aaa (Moody's) (extremely strong capacity to meet its financial commitment) to D (S&P, Fitch's) or C (Moody's) (in default). Ratings are relative and subjective and are not absolute standards of quality. The ratings provided relate to the underlying securities within the fund and not the fund itself.

WAM (Weighted Average Maturity) - the average amount of time until the organizations that issued the debt securities in the Fund's portfolio must pay off the principal amount of the debt. "Weighted" means the larger the dollar value of a debt security in a Fund, the more weight it gets in calculating this average. To calculate the WAM, the Fund may treat a variable or floating rate security as having a maturity equal to the time remaining to the security's next interest rate reset date rather than the security's actual maturity. WAL (Weighted Average Life) is the WAM of a Fund's portfolio calculated without reference to the exceptions used for variable or floating rate securities regarding the use of the date of interest rate resets in lieu of the security's actual maturity date.

You could lose money by investing in the Portfolio. Although the Portfolio seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the Portfolio is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.
