Credit Quality: Credit quality ratings are sourced from Standard & Poor's (the "S&P"), Moody's and Fitch's. Ratings values are based on the higher of either S&P, Moody's or Fitch's. If none of the rating agencies have assigned a rating the Fund will assign a rating of NR (non-rated security). The ratings represent their (S&P, Moody's, Fitch's) opinions as to the quality of the securities they rate. The ratings from AAA (S&P, Fitch's) or Aaa (Moody's) (extremely strong capacity to meet its financial commitment) to D (S&P, Fitch's) or C (Moody's) (in default). Ratings are relative and subjective and are not absolute standards of quality. The ratings provided relate to the underlying securities within the fund and not the fund itself.

WAM (Weighted Average Maturity) - the average amount of time until the organizations that issued the debt securities in the Fund's portfolio must pay off the principal amount of the debt. "Weighted" means the larger the dollar value of a debt security in a Fund, the more weight it gets in calculating this average. To calculate the WAM, the Fund may treat a variable or floating rate security as having a maturity equal to the time remaining to the security's next interest rate reset date rather than the security's actual maturity. WAL (Weighted Average Life) is the WAM of a Fund's portfolio calculated without reference to the exceptions used for variable or floating rate securities regarding the use of the date of interest rate resets in lieu of the security's actual maturity date.

You could lose money by investing in the Portfolio. Because the share price of the Portfolio will fluctuate, when you sell your shares they may be worth more or less than what you originally paid for them. The Portfolio may impose a fee upon sale of your shares or may temporarily suspend your ability to sell shares if the Portfolio's liquidity falls below required minimums because of market conditions or other factors. An investment in the Portfolio is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.

This material must be preceded or accompanied by a prospectus. An investor should consider the Fund's objective, risks, charges and expenses carefully before investing or sending money.
